OUR STORY

Happy Paradise is Chef May Chow's love letter to Chinese cuisine.

Out of profound respect for its quintessential flavours and ingredients, she re-imagines them with her own signature flair, crafting a rousing menu selection of seasonal sharing plates.

/

Both local and premium international ingredients are transformed to create a unique, progressive dining experience accentuated by a bespoke selection of cocktails and a small producer-centric wine list.

/

Inspired by the nostalgia of our food memories and the thrill of our travels, we give you the Happy Paradise experience.

/

Chef May Chow was named Asia's Best Female Chef in 2017 by Asia's 50 Best Restaurants.
