About Us

Proudly female and Hong Kong

An acclaimed restaurant and catering brand, helmed by a female founder, and proudly originating from Hong Kong

Originality in joyful experiences

Led by the best female chef of Asia, we can offer tailor made food and drink concepts that align with brand identities and exceed guest expectations.

Most importantly, it's always fun!

Expect an injection of delicious, high energy and joy to your next event!

little bao.

We take care of everyone.

We take great pleasure in crafting unique dishes that cater to gluten and lactose intolerances, as well as vegan and vegetarian preferences. Every detail on our menu is carefully considered to accommodate specific allergies and dietary restrictions.

Sustainable

Since founding Little Bao, we have committed to sourcing local, sustainable products. We offer "zero waste" options with access to reusable or recyclable plates and cutlery, as well as catering and lunch box solutions made from sustainable sources.

Events and past experiences
