about us

Little Bao has always been about playfulness and togetherness. Ever since our Chef/Owner May Chow served up her first Pork Belly Bao in 2013, we've been firing a nonstop arsenal of deliciousness to Hong Kong's hungry public. Drawing from the richness of Chinese cuisine, we reimagine Hong Kong comfort food while drawing inspiration from flavours and techniques all over the world.

our baos [®]

each and every single one of our baos are handmade and toasted golden just before serving. Our starting lineup is available at both our locations all year round! Keep up with us on [Instagram](#) to peep our seasonal specials – we always have one.
